REMARKS

SOURCE

1. The following aircraft were parked in front of the hangars of the ALT LOENNEWITZ (N 52/ E 84) airfield between 10 a.m. and 3 p.m.:

    3 biplanes;

    8 fighters with radial engines;

    6 fighters with in-line engines.

   More fighters were observed in two hangars, the doors of which were half open. One DC-3 biplane landed at the field.

2. The radio installation, previously observed at the north-eastern field corner, could not be seen but a small wooden cantonment building was located at its former place. A wire suspended from wooden poles led to this building.
